

Reasons FOR a Mark Stewart Vote:

You are a REPUBLICAN:

who is not enamored of Trump

who hates deficit spending

who hates trade wars

who wants to dismantle ObamaCare FASTER

who wants immigration reform FASTER

who wants to eliminate the income tax

who will rip out (slowly) every page of Federal Regulations not codified by Congress.

who prefers small government

who likes outsiders

who dislikes the two-party system

who wants to see a better CONGRESS

who likes Trump and will vote for him in November, but wants to take aim at forced socialism now

who knows a vote against forced socialism is more important than a vote for or against Trump in a Spring Primary that Trump will win with over 90%

who prefers a modern "Calvin Coolidge", to a Donald Trump

who wants to divide the Democrats,

OR

who wants to quarantine all progressives to the small party called the Communist Party USA.
